at final hearing. A party who does not file a brief for final hearing (§1.656(a)) shall not be entitled to appear at final hearing.

(b) The opening argument of a junior party shall include a fair statement of the junior party's case and the junior party's position with respect to the case presented on behalf of any other party. A junior party may reserve a portion of its time for rebuttal.

(c) A party shall not be entitled to argue that an opponent abandoned, suppressed, or concealed an actual reduction to practice unless a notice under §1.632 was timely filed.

(d) After final hearing, the interference shall be taken under advisement by the Board. No further paper shall be filed except under §1.658(b) or as authorized by an administrative patent judge or the Board. No additional oral argument shall be had unless ordered by the Board.

[49 FR 48455, Dec. 12, 1984, as amended at 60 FR 14529, Mar. 17, 1995]

§ 1.655 Matters considered in rendering a final decision.

(a) In rendering a final decision, the Board may consider any properly raised issue, including priority of invention, derivation by an opponent from a party who filed a preliminary statement under §1.625, patentability of the invention, admissibility of evidence, any interlocutory matter deferred to final hearing, and any other matter necessary to resolve the interference. The Board may also consider whether an interlocutory order should be modified. The burden of showing that an interlocutory order should be modified shall be on the party attacking the order. The abuse of discretion standard shall apply only to procedural matters.

(b) A party shall not be entitled to raise for consideration at final hearing any matter which properly could have been raised by a motion under §1.633 or 1.634 unless the matter was properly raised in a motion that was timely filed by the party under §1.633 or 1.634 and the motion was denied or deferred to final hearing, the matter was properly raised by the party in a timely filed opposition to a motion under §1.633 or 1.634 and the motion was

granted over the opposition or deferred to final hearing, or the party shows good cause why the issue was not properly raised by a timely filed motion or opposition. A party that fails to contest, by way of a timely filed preliminary motion under §1.633(c), the designation of a claim as corresponding to a count, or fails to timely argue the separate patentability of a particular claim when the ground for unpatentability is first raised, may not subsequently argue to an administrative patent judge or the Board the separate patentability of claims designated to correspond to the count with respect to that ground.

(c) In the interest of justice, the Board may exercise its discretion to consider an issue even though it would not otherwise be entitled to consideration under this section.

§ 1.656 Briefs for final hearing.

(a) Each party shall be entitled to file briefs for final hearing. The administrative patent judge shall determine the briefs needed and shall set the time and order for filing briefs.

(b) The opening brief of a junior party shall contain under appropriate headings and in the order indicated:

(1) A statement of interest indicating the full name of every party represented by the attorney in the interference and the name of the real party in interest if the party named in the caption is not the real party in interest.

(2) A statement of related cases indicating whether the interference was previously before the Board for final hearing and the name and number of any related appeal or interference which is pending before, or which has been decided by, the Board, or which is pending before, or which has been decided by, the U.S. Court of Appeals for the Federal Circuit or a district court in a proceeding under 35 U.S.C. 146. A related appeal or interference is one which will directly affect or be directly affected by or have a bearing on the Board's decision in the pending interference.
